**THE PRODUCT:** We make a custom robe to fit your individual need. I use mostly 100% textured polyester crepe fabric, that is machine washable. Some of the trims I use need to be dry cleaned, so I put a "dry clean recommended" label in it. I have several styles and designs of my own that you can choose from, or you can choose a design of your own. I work close with your choir or minister so we can come up with a design that is suitable for all. I have several monograms that you can choose from or you can put your own logo on your robes. My prices are negotiable. The more you order, the better the price break. If time permits, I will send you a sample robe in your colors and with your logo on it. You have 7-10 days to look it over and decide if you want to use us.

**WARRANTY:** All robes are guaranteed with regard to fabric, style, and size.

**TERMS:** A 50% deposit is required when order is placed and a measuring packet with instructions will be sent. If payment in full accompanies the order, or is paid before shipping date, Dee Dee's Custom Robes will pay all shipping charges within the continental United States. All orders with balance due will be shipped COD for money order or certified check. We also accept Visa, Master Card, Discover, and American Express.
